

Is seeking an Experienced Automotive Technician/Mechanic.

California Concepts has been in Redwood City since 1991 – We are the Bay Area leader in Automotive Aftermarket Accessories & Repair.
www.californiaconcepts.net

Job Responsibilities:

- Diagnose and repair to specifications -- brake and hydraulic, exhaust, primary and/or advanced fuel ignition and electrical, suspension and alignment (laser/general), air conditioning and computer systems.
- Adequately explain technical diagnoses and needed repairs to non-mechanical individuals which may include employees and customers on an as-required basis.
- Continuously learn new technical information and techniques in formal training sessions in order to stay abreast with rapidly changing automotive technology.
- Assist fellow technicians/mechanics in performing technical activities.
- Keep store management aware of mechanical repair problems as they occur.
- **Aftermarket Accessories – Lift/Lower Kit knowledge is preferred.**
- Maintain an organized and neat bay.
- Adhere to all company policy, procedure, safety and environmental rules.

Qualifications:

We are looking for a TEAM player. Collaboration and a team first attitude are a must. We require the following for you to be qualified for this role:

- At least 8-10 years of strong automotive mechanical diagnosis, problem-solving and repair experience.
- ASE certification welcomed.
- A high level of motivation, energy and a customer-focused attitude.
- Must have a valid driver's license.

Job hours are: Mon – Friday 8:30-5:30. Pay will be based on Experience.

If you feel you meet all of these qualifications – Then COME ON IN.

****All applicants must apply in person!**

We are located in Redwood City at 2999 Spring St., 94063
